Kahala Aviation Announces Acquisition Of 737-400 Aircraft

Dublin, Ireland; January 28, 2013: Kahala Aviation announces the acquisition of a 737-400 aircraft (MSN 25052) formerly operated by AeroSvit Airlines from ILFC. Michael Howard, Chief Financial Officer states, “we remain a disciplined purchaser of aircraft and continue to see selected opportunities to deploy capital.” It is intended to convert the aircraft to freighter.
